GROUND MAINTENANCE

- For the first game of the day, the infields should be ready 1/2 hour before game.
- The VISITING team (Team listed first on schedule) of each game will be responsible for preparation of the infield including raking/dragging, watering, and liming the base paths, batters and coaches boxes. Have 4--5 people available to help.
- Use the 4--wheel marker for the base lines and the two--wheel marker for the boxes and warm--up circle. Open the 4--wheel marker only enough to allow chalk to flow through; push the liner as quickly as possible and MAKE ONLY ONE PASS. The base line does not have to be continuous; just evident enough for the umpire to be able to determine foul balls. Too much chalk makes it difficult for the umpire to clearly determine the base line.
- IMPORTANT: When possible water the infield with the hand held hose. If time does not permit a full infield water, water the area around and behind home plate and the base paths.
- The HOME team (Team listed second on schedule) is responsible for scorekeeping and pitch count

STAFFING THE CONCESSION AND BARBEQUE

- Two persons for the concession.
- One person plus a floater for the Barbeque.
 - *Barbeque should be fired up at 10:30 a.m. to start cooking at 10:45 a.m.
 - *Barbeque can be shut down at 7:00 p.m.
